

ALLEYN'S SCHOOL RESIDENTIAL EDUCATIONAL VISITS				
19/20 & 20/21				
We hope this list of proposed residential educational visits for the next eighteen months is helpful to parents and will assist with planning and budgeting. A lot of detailed planning and preparation goes into each visit before it can be confirmed and then offered to pupils. In addition, we need a certain number of pupils to make the visit viable. The visits below are at different stages in the planning process and so we are unable to guarantee that every visit listed will go ahead. Pupils and parents are advised to think carefully about examination requirements and timings before committing to a residential trip.				
In addition to this we also run around 200 non residential educational visits every year.				
If a visit is over-subscribed: In the first instance, places will be allocated to pupils who study, or participate in, the relevant subject and/or co-curricular activity. If the trip remains over-subscribed, pupils who have been unsuccessful in gaining a place on other trips will be considered next. Following this process a ballot may be necessary to allocate the final places.				
If you are interested in an educational visit but are concerned that, for financial reasons, your son/daughter might not be able to participate, please contact us. The School has some funds available, via the Pupil Support Fund, that are held for this purpose, among others. If you would like to discuss this, please contact the Bursar by email at bursar@alleyns.org.uk Neil Green, Assistant Head, Co-curricular & Partnerships				
Further to these residential visits there may be some additional opportunities offered to other specific groups, e.g. fieldwork visits, House events, Form trips, etc. These will be notified separately.				
DEPARTMENT / GROUP	VENUE	YEARS	DATES	VISIT LEADER
2019-20 Academic Year				
MFL (German) and History	Berlin	10, 11	October Half Term 2019	Frau A Schüller/ Mr DJ Harley
