As good as the golf course was, the weather was the main talking point again! Instead of the predicted showers we were treated to a bit of a monsoon for an hour or so plus the odd shower. There was a good attendance of players and most completed the round. There was also a visit from Roger Warren, an original member/Secretary of the Society who joined us for dinner. The golf course was in very good condition, the greens being firm and true and faster than most of us have experienced so far this year. The clubhouse has a relaxed atmosphere, the members being very friendly and the staff always attentive. The camaraderie and a good meal in the evening made up for what went before !
