

**ALLEYN'S SCHOOL RESIDENTIAL EDUCATIONAL VISITS  
FEBRUARY 2018 TO OCTOBER 2019**

We hope this list of proposed residential educational visits for the next eighteen months is helpful to parents and will assist with planning and budgeting. A lot of detailed planning and preparation goes into each visit before it can be confirmed and then offered to pupils. In addition, we need a certain number of pupils to make the visit viable. The visits below are at different stages in the planning process and so we are unable to guarantee that every visit listed will go ahead. Pupils and parents are advised to think carefully about examination requirements and timings before committing to a residential trip.

**If a visit is over-subscribed:** In the first instance places will be allocated to pupils who study, or participate in, the relevant subject and/or co-curricular activity. If the trip remains over-subscribed, pupils who have been unsuccessful in gaining a place on other trips will be considered next. Following this process a ballot may be necessary to allocate the final places.

If you are interested in an educational visit but are concerned that, for financial reasons, your son/daughter might not be able to participate, please contact us. The School has some funds available, via the Pupil Support Fund, that are held for this purpose, among others. If you would like to discuss this please contact the Bursar by email at [bursar@alleyns.org.uk](mailto:bursar@alleyns.org.uk)

**Neil Green, Assistant Head, Co-curricular & Partnerships**

*In addition to these residential visits there may be some additional opportunities offered to other specific groups, eg. Fieldwork visits, House events, Form trips, etc. These will be notified in due course.*

DEPARTMENT / GROUP	VENUE	YEARS	DATES	VISIT LEADER
<b>2017-18 Academic Year</b>				
Co-curricular, Ski Trip	Austria	9, 10, 11, 12, 13	10-18 February 2018	Mr PD Bone
