1. Accounting policies

The accounting policies applied by the Club in these accounts are the same as those applied by the Club in its accounts as at the year ended 31 July 2024

The accounts have been prepared under the historical cost convention.

All Income and expenditure is accounted for on an accruals basis with the exception of Investment income which is accounted for in the year in which the cash is received.

7. Transactions with Management Board

The Income & Expenditure Account includes costs of £25,022 (2024 - £25,434) for production and distribution of the Edward Alleyn Club magazine, of which £8,342 (2024 - £10,519) have been made to members of the Management Board or their family members.

Independent Examiner's Report to the members of the Club for the year ended 31 July 2025

I report on the accounts of The Edward Alleyn Club for the year ended 31 July 2025 as presented by the Management Board of the Club.

Responsibilities of the Management Board

The Management Board is responsible for;

- preparing accounts for each financial year that give a true and fair view of the state of affairs of the Club, and of its income and expenditure,
- keep adequate accounting records which disclose with reasonable accuracy at any time the financial position of the Club,
- maintaining such internal controls as are necessary; and for
- safeguarding the assets of the club

Basis of Independent examiners report

My examination includes a review of the accounting records kept by the Club, and a comparison of the accounts presented with those records. It includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Committee on those matters. The examination does not provide all the evidence that would be required in an audit. Consequently no opinion is given as to whether the accounts present a 'true and fair view' and my report is limited to those matters set out in the statement below.

Independent Examiners statement

In connection with my examination, no matter has come to my attention; which gives me reasonable cause to believe that, in any material respects, adequate accounting records have not been kept, or that the accounts for the period are not consistent with the accounting records

to which, in my opinion, attention should be drawn to members of the Club in order to enable a proper understanding of the accounts to be reached.

Mr J Battle (Chartered Accountant - non practising)

11 November 2025

Treasurer's Report to the Members of the Edward Alleyn Club for the year ended 31 July 2025

Income & Expenditure Account

Total Income received in the year amounted to £30,980 (2024: £34,511)

The Life Subscription has been replaced by a discretionary payment which in the year to 31 July 2025 amounted to £25,022 (2024: £25,434)

The 200 Club generated a profit of £5,222 (2024: £5,982) which is 13% down compared to the prior year. During the year there has been a steady decline in numbers such that at the end of the year we have 20 unallocated numbers. Prizes have been drawn up to the end of July and the names of the winners have been posted on the EAC website

We continue to receive investment income earned from the Club's investments amounting to £4,803 (2024: £3,380). The increase is as a result of an incease in the interest rate applied to the deposit with United Bank Trust.

During the year the Club received a total of £17,000 (2024 - £18,000) from the cricket, football & tennis clubs which has been paid over to the school as a contribution towards the running costs of the Clubhouse and grounds at Burbage Road.

This year the EAC Dinner was held at BAFTA in Piccadilly. The Dinner made an overall loss of £6,741. Of these costs the Head and the Development & Alumni Office of the school kindly contributed £2,674 reducing the loss to the Club to £4,067.

Total Costs in the year amounted to £39,574 (2024: £26,620)

By far the largest proportion of these costs continues to be for the production and distribution of the Edward Alleyn Club magazine which totalled £25,022 (2024 - £25,434). The magazine provides our principal and most important point of contact with the membership and we expect costs to continue to rise as the membership expands and postage costs increase. It is our intention to maintain the publication of the magazine in its current format for the foreseeable future.

In the year the Club made a contribution towards the cost of SiSGrass laid at Burbage road totalling £4,000.

In the year the Club made a donation of £10,000 to support the Alleyn Benevolent Fund's inititative to establish a 3rd Bursary in the name of the former head of the school Colin Niven

Other costs incurred in the year amounting to £552 (2024: £469) included the annual subscription cost for Zoom plus sundry costs to support the running of the Club.

The Outcome for the year shows that we recorded excess of expenditure over income of £8,594 (2024: Profit of £7,891)

Net Assets of the Club

Investments at Cost

Our investments are limited and are for the most part in the form of cash being held on a 100 Day notice deposit account at United Trust Bank Limited and unit trusts held with M & G. There are very few opportunities to generate a better return without substantially increasing the risk profile of the investment and so for the foreseeable future the majority of the Club's investments will remain invested in interest bearing deposit accounts.

Chris Heayberd Hon. Treasurer 11 November 2025
